

OXFORD MODEL BOAT CLUB

January & February 2010 Newsletter

To help our members to keep informed I thought I would start a monthly newsletter. The idea is to remind us of what events are happening in the following month and of any changes or additions to the clubs annual calendar. I will give a brief report on the previous month's activities. I can include your photos, reports, hints, tips, sales & wants. Just email them to me. Pizzard110@aol.com.
